

Free Health Screening*

Saturday, February 6 7:30-11:30am

Blood Pressure, BMI &
Cholesterol Screening

In order for blood work to
be accurate, please fast the
night before.

*To get your screening for free, you must be a registered student at the Norwich Fire School. This is brought to you by your KSFFA Board and the SAFER Grant as part of the retention of firefighters in your community.

Working towards the
health and safety of our
firefighters.
