

# FIRESCHOOL 2022 REQUEST

Is your department looking for quality training? The KSFFA offers numerous different classes for classroom and hands on. We bring in props including our skills trailer and burn trailer. Your department chooses the classes that work best for your area. Did I mention that classes are FREE? If your department is interested in hosting a training weekend in 2022, let us know by emailing Secretary Golemboski at [secretary@ksffa.com](mailto:secretary@ksffa.com).

FREE TRAINING
